2006 growler

The 2005-2006 school year was quite an interesting year at Moss Point High School, one that will not only be remembered for years to come, but standing proof that the students, faculty, and staff are able to look adversity in the face and scoff. Yes, there were grades, assemblies, football games, pep rallies, and a rather wretched hurricane. But, the busy schedule did not hinder the motivation of success from existing in the students and faculty.

KATRINA

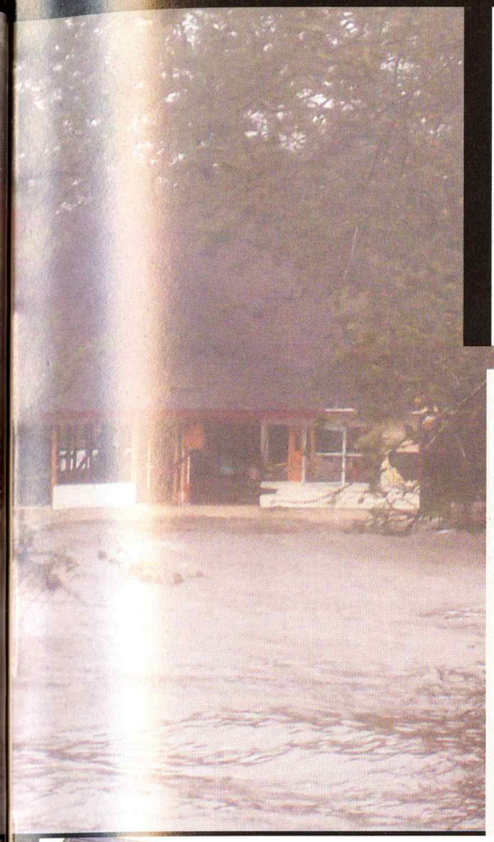
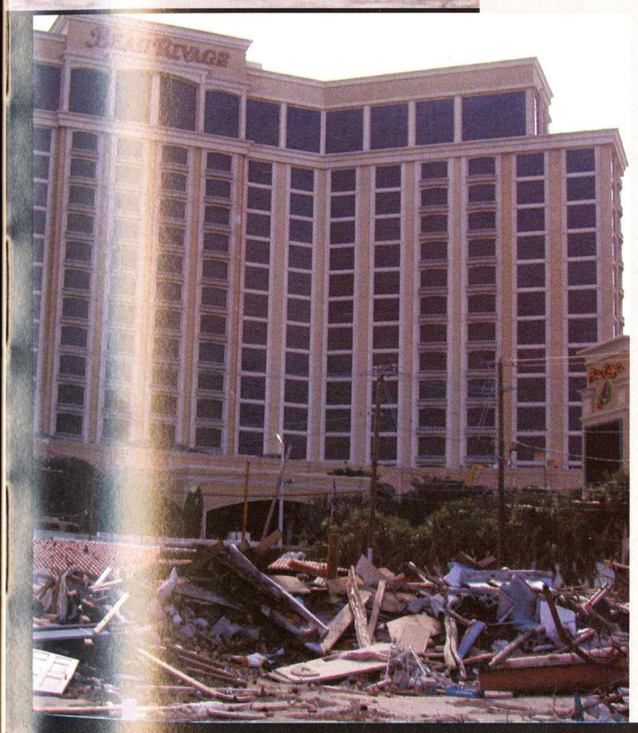
the name that says it all
..... and did it all too.





It was a year that was tested by Mother Nature, herself. Hurricane Katrina, one of the worst natural disasters in US history, crashed into the Gulf Coast on August 29, 2005. With its turmoil came destroyed homes and lost property, and a month away from school. When students finally returned to Moss Point High School, lives were forever changed by the aftermath. However, this did not usher in a vain sense of disregard. Students avidly continued where they had left off before the storm, learning and striving to do better. The year was met with other distinct accomplishments. MPHS succeeded in raising one level, moving from a Level 2 school to a Level 3. This gave students and teachers confidence and set the path for the grand-prize: Level 5. No one knows the exact degree of success and importance of the 2005-2006 school year at Moss Point High. Did the students accomplish what they set out to accomplish? Was time well spent on teaching and informing students? Did our willingness to survive reflect our willingness to succeed? The debate could go on and on, and not one answer agreed upon. However, that is not a bad quality. It is just one of the many glories that comes from attending Moss Point High School.

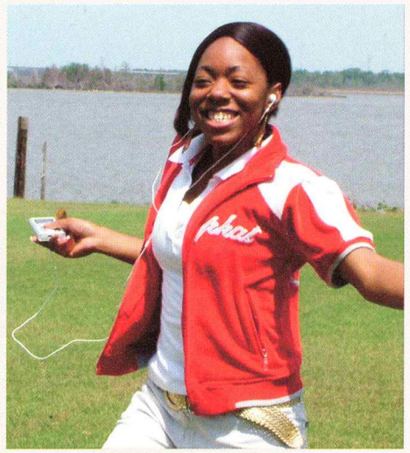
Short jackets

Junior Ashley Macklin sports her short jean jacket with style while adding a nice touch to her uniform! You would think that these 3 1/2-inch jackets wouldn't have caught on but everywhere you looked EVERYONE had one on.

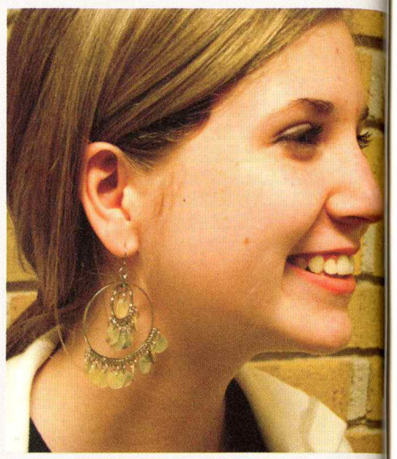
i-smile, i-listen, ipods

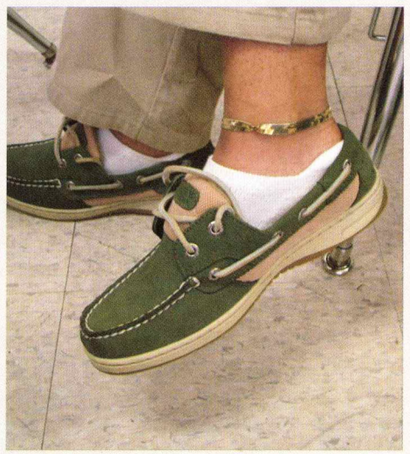
"You can listen to so many different types of music right in the palm of your hand. It's just simply amazing!" said Junior Shameka Richardson. Someone definitely made a lot of money off of mp3 players this year. These small compact music devices were a major trend with all students.



chandelier earrings

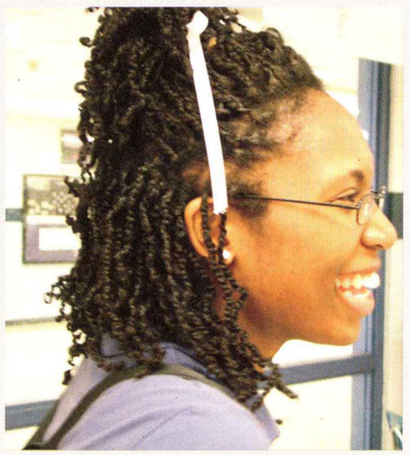
There just something about these flashy, sparkly dangly earrings that everyone loves. They come in all shapes and sizes, for anyone and everyone. Pictured Below: Jenica Finch





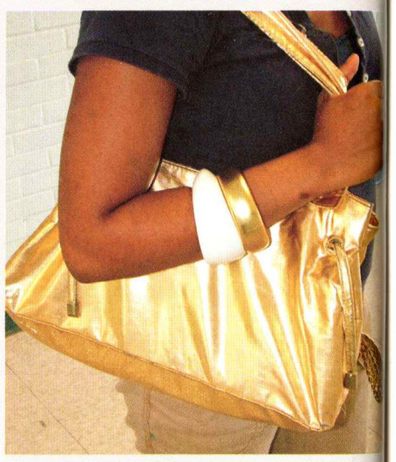
got sperry's?

Sperry's....they used to be the old man's boat shoe but now the latest fashion trend. Dress them up, dress them down they go with everything. They come in any color imaginable, the big question now is: with socks? or without?



twist dreads

Many hairstyles have come and gone, some good and some bad. This one however has stuck. Junior, Cambra Jones loves wearing twists. She finds it as a simple and easy hairstyle that looks great.

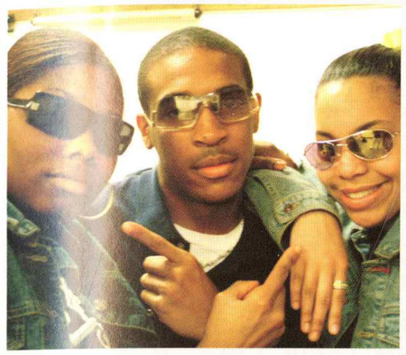


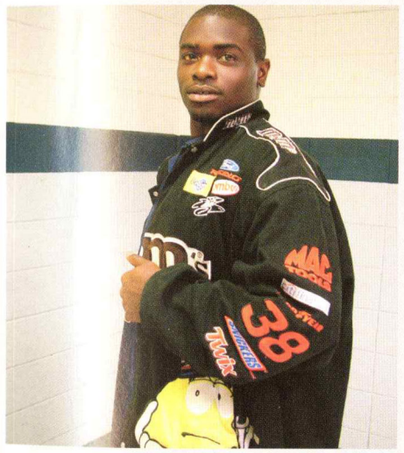
metalic purses

Metallic purses definitely brightened up the hallways and caught our eyes this year. 2006 was a good year purses too. Popular styles like hobo, messenger, sequin and oversized purses were a big hit.

haterblockers

"Haters" are were very popular this year. The only thing to protect you from a "Hater" are the "Hater Blockers." Juniors Ebony Walker, Christopher Cox and Kaitlyn Harris stylishly protect themselves from the haters!





wanna race?

One day you could work for UPS and the next day for FedEx. I'm not sure if we have any professional race car drivers at our school but everyone had the jackets. Sophmore, Wille Packer sports one of the many race jackets.

student style 101

Each year many styles come and go. Some stick and some don't. However, this year we caught the ones that did stick. Some 2006's trends were started by Moss Point High's very own. From hair to clothes all the way down to shoes every student expressed himself or herself, showing off the top trends of the year. So next year take a chance and follow your own style. You never know you might end up right here on this very page.

Dear Moss Point High Students:
Your time at Moss Point High School will always hold a special place in your hearts. As you look through this annual, I hope it takes you back to the special times you've shared with your classmates, teachers, and other staff at Moss Point High. Those special moments will no doubt cause you to smile.
Reminiscing on the events of the school year will also force you to recall the devastation of Hurricane Katrina. Many of you suffered damage to your homes. Our losses were great - - the extensive damage to Magnolia, the loss of books, supplies, band instruments, and so much more. Additionally, many of you suffered major damage to your homes. In the midst of all the turbulence, one thing remained constant - - the strong school family ties among the students, teachers, and other staff members.
As you progress to the next level of your education in the Moss Point School District, be encouraged to do your very best in all of your endeavors. Remember, you can accomplish anything you put your mind to.

Sincerely,
Rachel Carpenter, Ph.D.

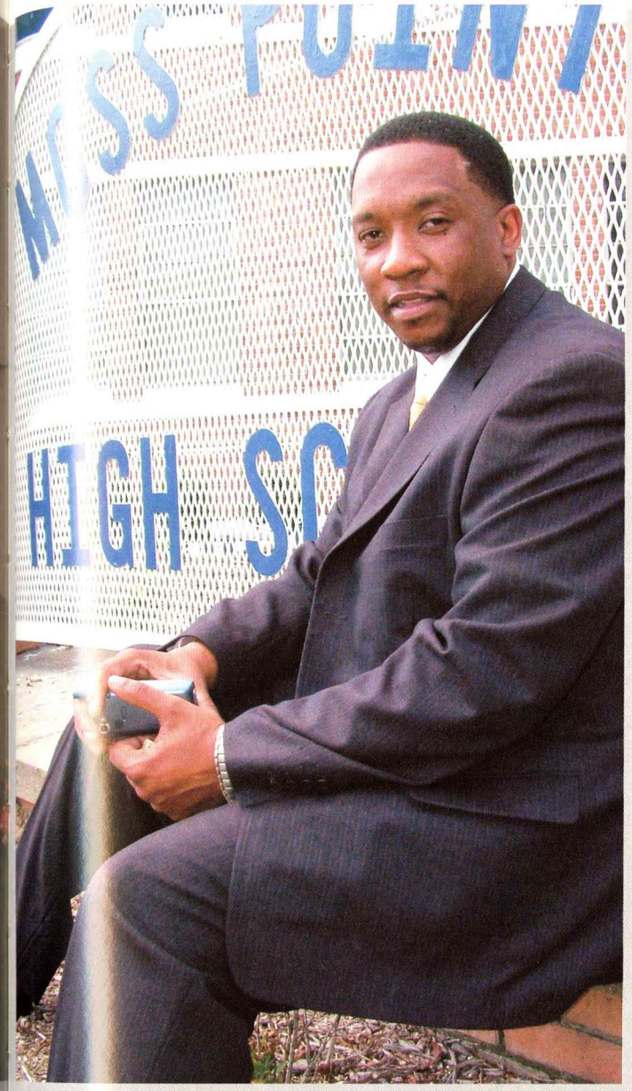
Moss Point School District



Mr. Tommy B. Molden,
Principal

School year 2005-2006 can truly be called progressive. Consider all that has been accomplished to enhance our school's learning environment and opportunities for success for Moss Point High School students. The advent of uniforms for all high school students reduced opportunities for distraction from academics. Academic offerings were expanded, particularly in technology and foreign languages. Students' positive attitudes became visible in how they carry themselves and how they attended to their lessons, taking high stakes testing more seriously. Test scores improved. Pride in extra-curricular activities showed, particularly in band, clubs and sports. Teachers helped make a positive difference in our school and its image in our coast community. Administrative leadership set and met goals solidly from August, 2005 through May, 2006. Congratulations, Seniors! Thanks and well done, administrators and staff and thank you, faculty.

Sincerely,
Tommy Molden, Principal

Between clubs, sports, and work, the fact that students wake up and attend school is not forgotten. Ultimately the classes that many students attend everyday are teaching some of life's most important lessons of both life and academics. While grades and GPA's fulfill teachers and students lives a sense of pride comes about in the academic area of Moss Point High School.

Making a yearbook is a job that until experience will never be completely understood. Despite the many challenges and adjustments that we underwent this year, we still were able to produce a yearbook that our school can be proud of. We'd like to thank our Advisor, Mr. Don Vardell for giving us the opportunity to undertake the challenging task of organizing and editing this yearbook. It was a great challenge, with a lot of important achievements and results, which certainly wouldn't have been reached without Mr. Vardell's help as well as the cooperation of our school. Thank you and God bless!

Sincerely,
Jillian Matthews &

August

25 Hurricane Katrina strikes Florida.

28 Mandatory evacuation of both New Orleans and Mississippi is ordered as Katrina becomes a Category 5 storm in the Gulf of Mexico.

29 Downgraded to a Category 4 storm, Katrina hits land. 1.3 million homes and businesses lose electricity in Louisiana, Mississippi and Alabama. 30 levees are breeched, flooding New Orleans and leaving 100,000 people stranded. After slow government response, civil unrest and looting begins.

31 President Bush surveys the damage.

September

1 30,000 National Guard troops are deployed. Gas prices spike to as high as $5 per gallon.

2 President Bush visits Louisiana and signs a $10.5 billion relief bill. Nearly 154,000 evacuees arrive in Texas.

4 The New Orleans Superdome is evacuated.

6 President Bush and Congress pledge to investigate the flawed disaster response.

9 Government-issued debit cards are distributed to evacuees. The program fails and is ended days later.

12 Michael Brown, head of the Federal Emergency Management Agency, resigns. Flooding is down to 50 percent in New Orleans.

14 New Orleans Mayor Ray Nagin announces a phased repopulation plan.

15 New Orleans begins to reopen. Katrina is named the most destructive hurricane in U.S. history.

20 Louisiana Governor Kathleen Blanco declares a state of emergency as Hurricane Rita strengthens off the coast.

22 Rita hits the Louisiana coast and heads for Texas.

23 Thousands evacuate eastern Texas and the 9th Ward of New Orleans floods once again after levees are overrun.

October

24 Hurricane Wilma hits southwest Florida.

Hurricanes ravage the Gulf Coast region in the fall of 2005, posing an unprecedented test of the United States federal emergency response efforts. Hundreds of lives are lost and thousands are left homeless in the wake of Category 4 Hurricane Katrina, followed by Rita and Wilma. The tragedy spurs contributions of money, talents, homes, food and more in an attempt to raise spirits and rebuild the area.
